Welcome to the 52nd Lincoln Trail Invitational hosted by Tell City Junior-Senior High School. Previous to 1956, Troy High School was the host. It is believed the invitational had its beginning in the late 1940s as a small meet of 4-6 teams. The meet grew over the years, with 20+ teams traveling to Hoosier Heights Country Club to compete. After the 1994 season, the meet was discontinued until 2007. This cross country meet, now in its 52nd year is one of the oldest cross country meets in the state of Indiana. We appreciate your attendance at the meet and hope to see you next year!
